DETAILED ACTION

1. In the previous office action, the claims to the species were incorrectly canceled. Since claim 61 is generic and allowable to the species and therefore the species should have been rejoined and allowed. Therefore, the amendment to cancel the non-elected claims is withdrawn.

Election/Restrictions

2. Claim 61 is generic and allowable. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claims 65-69 and 103-106, directed to the species of heating elements are no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim. Since claims 65-69 and 103-106 depend upon or otherwise include all the limitations of an allowed generic claim as required by 37 CFR 1.141.

3. This application is in condition for allowance except for the presence of claims 109-114 to an invention non-elected without traverse. Accordingly, claims 109-114 have been cancelled.

Allowable Subject Matter

4. Claims 61-108 are allowed.
